

DAISY WHEEL PROGRAM OPT-OUT FORM

Dear Parents/Guardians,

On _____, your child's class will be participating in The Get In Touch Foundation's Daisy Wheel Program. The learning materials your student will receive will include a Daisy Wheel, an educational tool with 8 tips on how to perform a breast self-exam.

Learning how to do a breast self-exam at an early age can help students establish a comfort in knowing their bodies, and encourage them to discuss changes and concerns with a parent, school nurse, or doctor.

You can find more information on The Get In Touch Foundation's Daisy Wheel Program on their website at: www.getintouchfoundation.org/daisy-wheel/.

If you DO NOT want your child to participate in The Get In Touch Foundation's Daisy Wheel Program, please return the form below.

No, my child cannot participate in The Get In Touch Foundation's Daisy Wheel Program. Please find another activity for my child.

Child's Name _____

Teacher _____

Parent/ Guardian Signature _____
